Email from China Intellectual Property Office mmip.org.cn, which mainly deal with Chinese Brand Name and Domain Name asking if we gave permission for Mapelt International Ltd to use "any-lengths" name. This was responded to with an adjusted 6th tradition saying "We at Any-Lengths are not associated with nor have we endorsed, financed or lent the Any-lengths name to any related facility or outside enterprise."

It was discovered due to the correspondence that .com domains now have further extensions so any-lengths.com.us, any-lengths.com.uk... could be bought.
